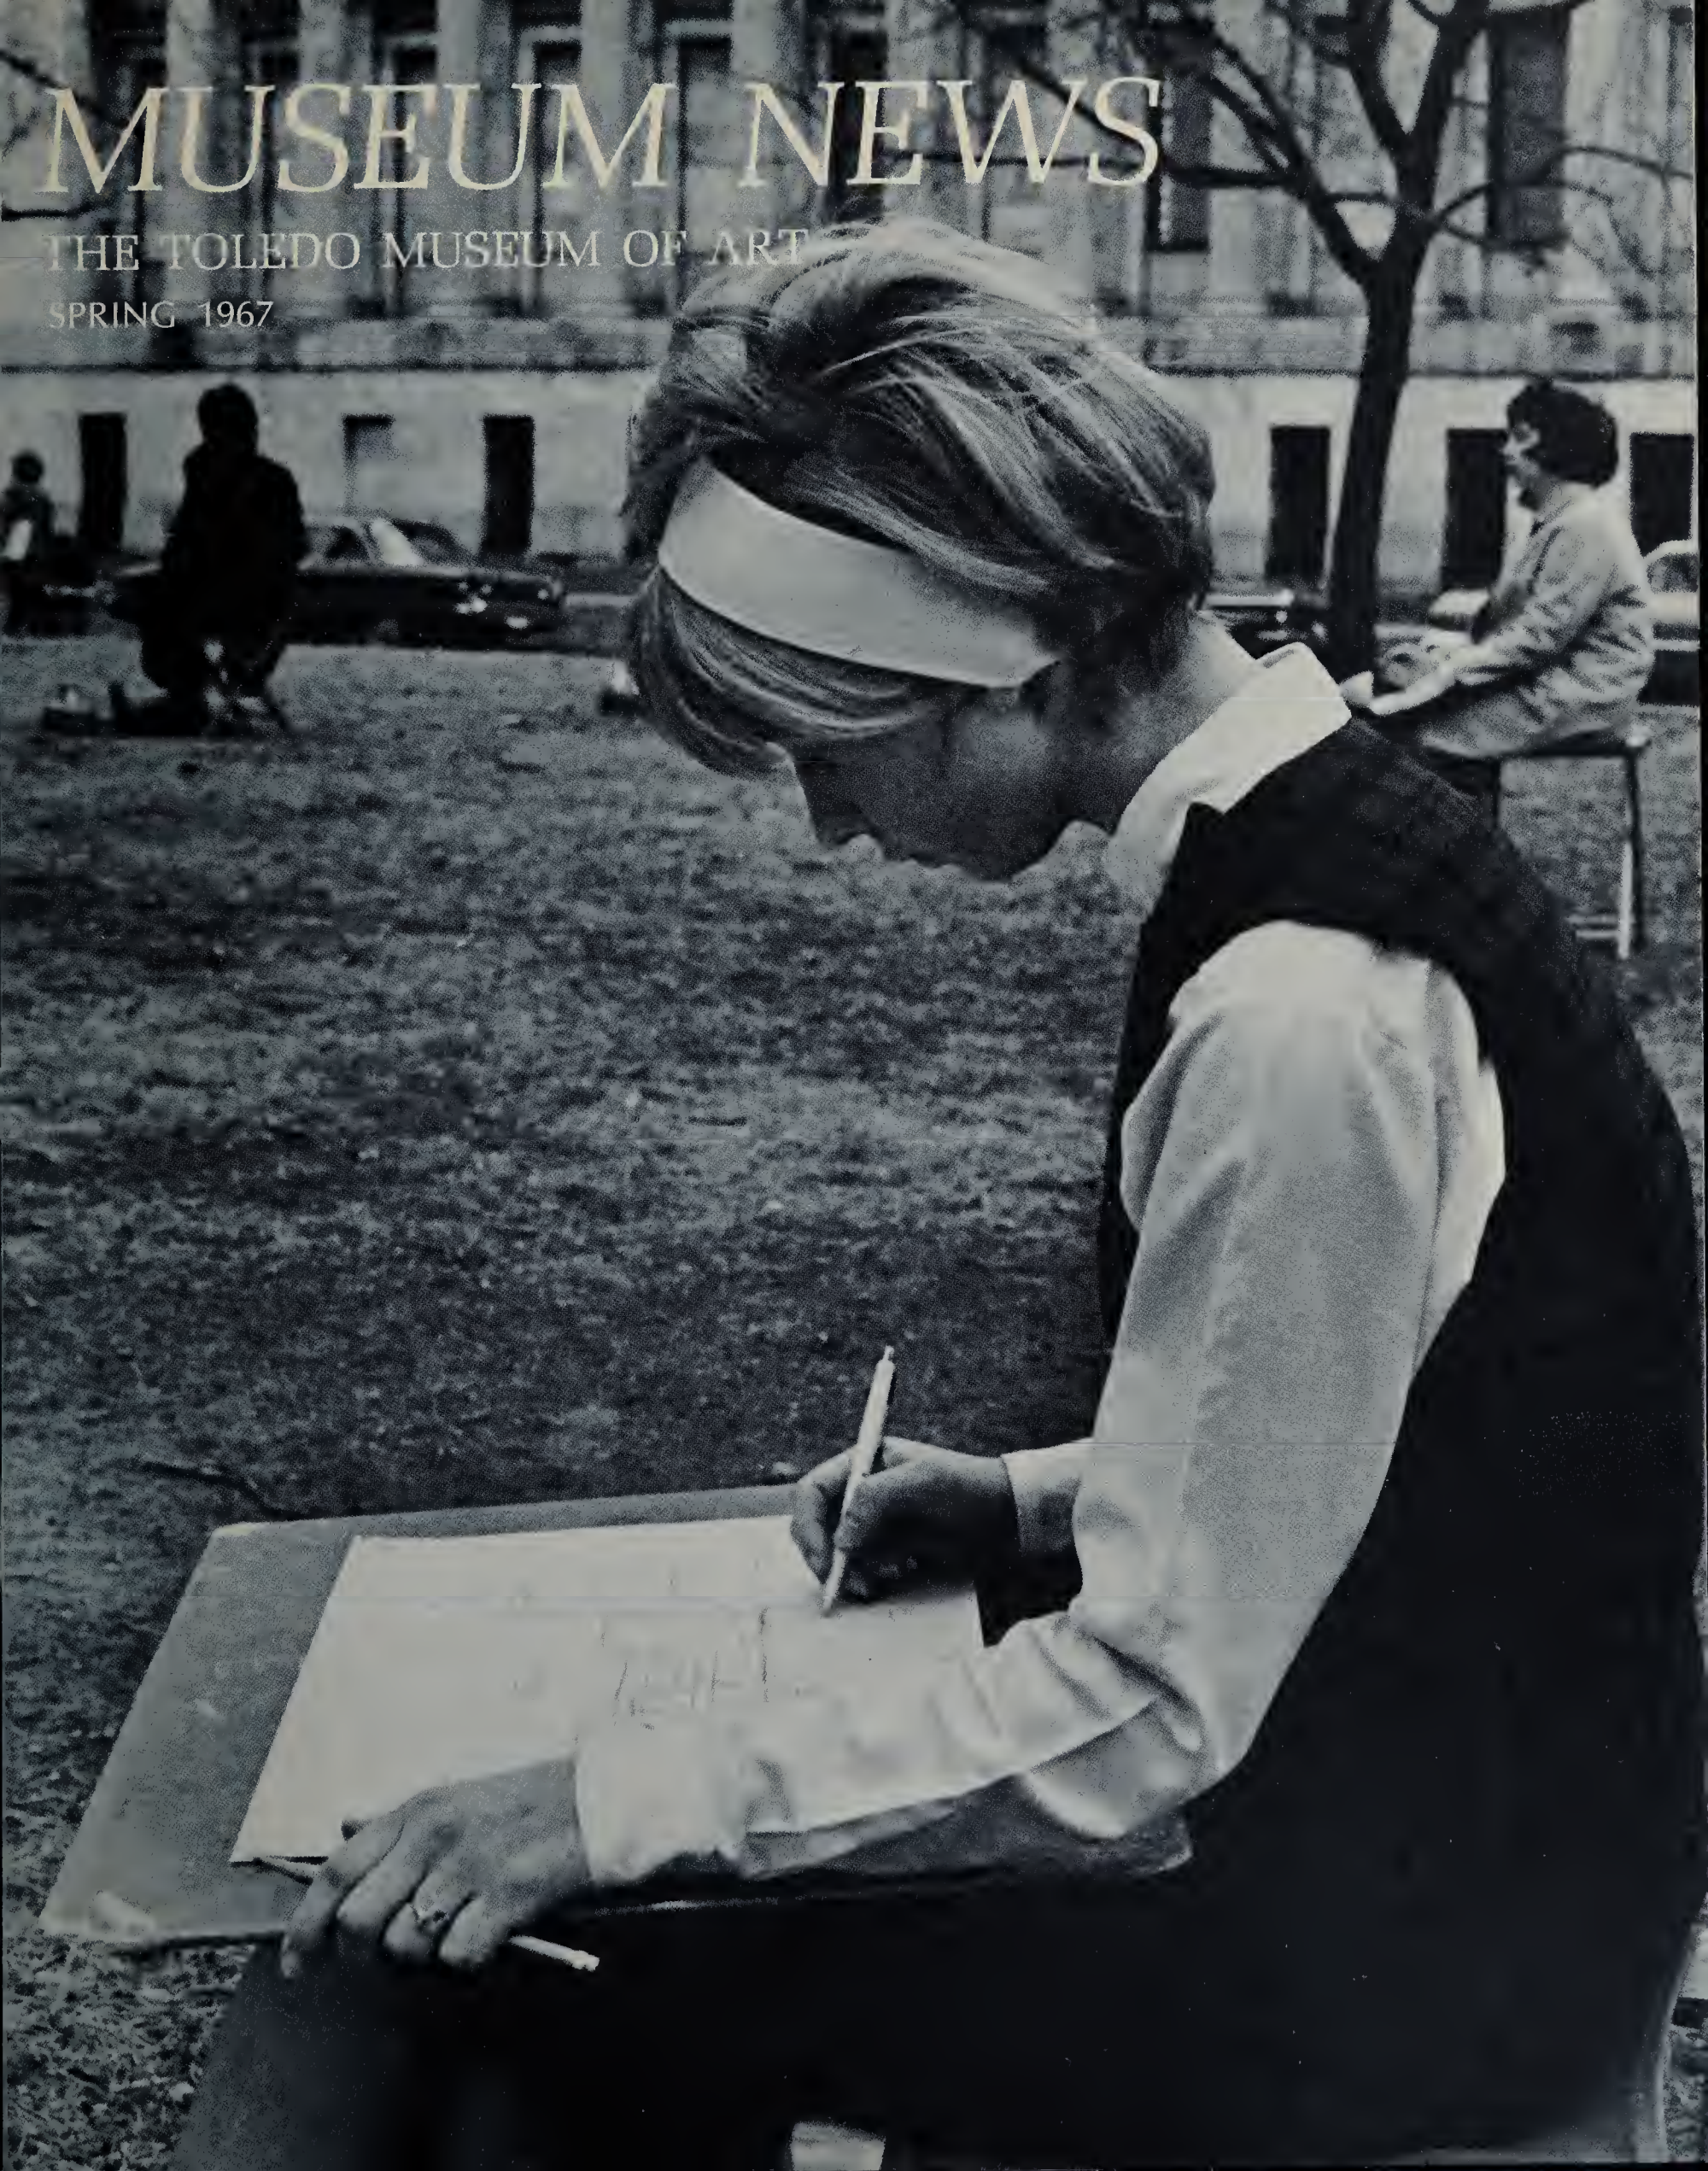
THE TOLEDO MUSEUM OF ART

SPRING 1967



A Record-Breaking Anniversary Year

It is fitting that 1966, which marked the 65th anniversary of the founding of The Toledo Museum of Art in 1901, should also be a year of success in which *all* previous annual attendance records were broken.

The record annual attendance of 454,609 in 1966 represents sound growth throughout the year. More adults attended the Museum in 1966 than ever before in its history.

Of course, attendance alone is a poor yardstick by which to measure a Museum's value to its community. How did the Museum serve its visitors? It is interesting to note that of this large attendance more than 8 out of every 10 came for regularly scheduled activities such as classes, lectures, guided tours or concerts—activities which involved use of Museum staff as well as facilities. To be exact, 86% of our children and 75% of our adults came for some specific activity.

What better way to start 1967 than with another record for new Museum members? In February 1,549 new members joined the Museum bringing the current list as of March 1, published here, to the largest in the Museum's history, numbering 5,800.

Thanks go to the Art Museum's Aides and the hundreds of volunteer membership campaign workers. To our new members we extend a cordial welcome. We are all joined in one effort to assure continuing educational opportunities for the children of our community in what is and we intend always shall be one of the great Museums of our country.

MUSEUM MEMBERSHIP MEANS GROWTH

Periodically the Museum publishes a list of its members. The current list is the largest in the Museum's 65-year history. Membership means growth for the Museum. Your membership helps thousands of children to enjoy art and music.

Contributions to Museum endowments have also increased significantly. Continuing contributions will be needed if the varied educational activities of this Museum illustrated in these pages are to continue.

"I have gone to the Museum when I was fatigued, and have come out refreshed; I have dashed in on an errand and stayed two hours . . . I have found balm here in the beauty and logic, after exposure to rampant ugliness elsewhere. For me, the Museum is an oasis and a monument to abiding values . . ."

"We consider we are very privileged to have such a fine institution as The Toledo Museum of Art so near . . . We did not realize it was such an enjoyable place."

—letter from a Findlay, Ohio visitor

Only through an expanding and active membership can the Museum continue to provide for the future. Our children's heritage in art and music depends on the constant growth of the Museum and its activities as a community center.
